The same procedure will also be followed for the following Courses :

1. The students have to be very punctual in attending theory & practical classes.
2. To be able for appearing in the examinations, a student must have attended at least 75% of the classes of that module. **Students have to obtain at least 40% average marks in the aggregate in all the modular examinations to be eligible for a certificate.**
3. The students must come to the institute with proper Identity Cards. Student coming without proper Identity Card may not be permitted to enter the institute.
4. The students applying for admission must read the prospectus carefully & convince himself that he qualifies for the training. In case, if in any part of the admission process or after the commencement of classes he is found to be ineligible, he may be expelled from the institute & no refund will be given in that case.
5. Students applying for the One year Diploma Course will not be allowed to shorten his course to the six-months certificate course.

LAB Facilities :

The labs are well designed to provide a congenial environment for learning. The labs are equipped with a range of State-of-the-art Computers. The computers are interconnected through **Local Area Network (LAN)**.

FACULTY :

Our expert & experienced faculties are drawn from the industry. They are young & friendly and the students can expect to benefit from their focus on relating theoretical issues to their business applications.

STUDY MATERIALS :

The students are given exhaustive study materials which are designed to benefit the students not only during the course but also as a reference tool in their future career.

STUDENTS FEEDBACK :

Feedback sheets are circulated to the participating students after the end of each topic, providing an opportunity for the students to comment on the teaching or the contents of that topic.

EXAMINATION / EVALUATION PROCESS :

After the end of each topic a theoretical & a practical exam is held on each subject. Judging by the performances of these examinations the final grades are awarded at the end of the course.

FINAL CITATION / CERTIFICATE :

A certificate will be issued on successful completion of training.
